

## CALL FOR EXTERNAL REVIEWERS

Professors, please share this opportunity with your students.

*Stance* seeks undergraduate philosophy students to serve as manuscript reviewers. *Stance* reviewers hone their writing, researching, and analysis skills by evaluating original papers by some of the world's most talented undergraduate scholars. Reviewers must have advanced undergraduate experience in philosophy, strengths in writing and editing, and the self-motivation necessary to complete work by given deadlines. A letter of recommendation from a professor who is familiar with your philosophical abilities is required.

*Stance* has two types of manuscript reviewers. "External Reviewers" evaluate two or three manuscripts, typically in late January or February. "Assistant Editorial Board Members" serve on our major review teams. Assistant Editorial Board Members consider approximately 20–30 papers in December. All reviewers receive training material that explains what is expected in the formal review and are guided by an experienced *Stance* staff member. Reviewers are credited in both the print and electronic versions of the journal.

### TO APPLY, PLEASE

1. Return the student application below as an email to [ballstatestance@gmail.com](mailto:ballstatestance@gmail.com).
