

Stance is produced and edited entirely by undergraduate students. We aim to enrich student learning by providing an opportunity for undergraduate students to have their original scholarly work reviewed by and possibly published in a peer-reviewed academic journal.

Stance is published annually in April. The deadline for submissions is mid- December. All papers are anonymously considered by multiple reviewers. Notification of initial decision is in February. All authors receive constructive feedback concerning submissions.

Stance requires first publication right. All other rights reside with the author. Having an international standard serial number [ISSN 1943-1880-print; ISSN 1943-1899-electronic], *Stance* is registered with the U.S. Library of Congress. *Stance* is listed in *The Philosopher's Index* and *PhilPapers*: <https://philpapers.org/pub/4889>.

ABOUT THE COVER

Stance 15's cover pictures smoke converging in the center, as the title fades away into the background. People dot the cover as well—sitting, jumping, and contemplating. We hope to show that philosophy encompasses all aspects of life and that as one moves throughout their daily routine, and existence, that the act of questioning, discovering, and diving into deep understanding can happen anywhere and anytime; most importantly, it can be fun. The smoke is to represent the expansion of thought as one furthers their philosophy journey, no matter how new they may be to it.

The figures shown are to be representative of all people and especially of you, the reader. As you walk to class, bike to your job, work on projects, and enjoy your days as an undergrad, don't forget to challenge everything—especially your STANCE.
