

STANCE

AN INTERNATIONAL
UNDERGRADUATE
PHILOSOPHY JOURNAL

Stance is produced and edited entirely by undergraduate students. We aim to enrich student learning by providing an opportunity for undergraduate students to have their original scholarly work reviewed by and possibly published in a peer-reviewed academic journal.

Stance is published annually in April. The deadline for submissions is mid-December. All papers are anonymously considered by multiple reviewers. Notification of initial decision is in February. All authors receive constructive feedback concerning submissions.

Stance requires first publication rights. All other rights reside with the author. Having an international standard serial number [ISSN 1943-1880-print; ISSN 1943-1899-electronic], *Stance* is registered with the U.S. Library of Congress. *Stance* is listed in *The Philosopher's Index* and *PhilPapers*:

ABOUT THE COVER

The cover of volume 17 of *Stance* is a great corridor of doors descending downward into infinity. Figures peer out of these doors down into the *Stance* logo. This image is meant to represent one of the fundamental ideas for *Stance* as a journal: its ability to bring many diverse people with great philosophical ideas into one space. These figures, like yourself, have gathered here to appreciate the ideas and new perspectives presented by the amazing philosophers in this journal. We hope to remind you of the importance of sharing philosophy and how it has brought you and others together!
