AN INTERNATIONAL  
UNDERGRADUATE  
PHILOSOPHY JOURNAL

*Stance* is produced and edited entirely by undergraduate students. We aim to enrich student learning by providing an opportunity for undergraduate students to have their original scholarly work reviewed by and possibly published in a peer-reviewed academic journal.

*Stance* is published annually in April. The deadline for submissions is mid-December. All papers are anonymously considered by multiple reviewers. Notification of initial decision is in February. All authors receive constructive feedback concerning submissions.

*Stance* requires first publication rights. All other rights reside with the author. Having an international standard serial number [ISSN 1943-1880-print; ISSN 1943-1899-electronic], *Stance* is registered with the U.S. Library of Congress. *Stance* is listed in *The Philosopher's Index* and *PhilPapers*:

Volume 18's cover depicts only one figure, focusing on her face. She's lost in thought, so lost that there's a cloud of smoke swarming around her head, engulfing her. Her mouth is starting to open in the moment revelation strikes. Not only is *Stance* a journal that brings people together through philosophy, but also one that sparks greater analysis. We invite you to become lost in thought as you consider the new perspectives offered by the fantastic philosophers in this journal. Lose yourself in exploration. Then, when revelation strikes, continue the conversation.
