AN INTERNATIONAL UNDERGRADUATE  
PHILOSOPHY JOURNAL

*Stance: An International Undergraduate Philosophy Journal* is produced and edited entirely by undergraduate students. We aim to enrich student learning by providing an opportunity for undergraduate students to have their original scholarly work reviewed by, or published in, a peer-reviewed academic journal.

*Stance* is published annually in April. The deadline for submissions is mid-December. All papers are carefully considered in multiple anonymous reviews. Notification of initial decision is in February. All authors receive constructive feedback concerning submissions.

*Stance* requires first publication right. All other rights reside with the author. Having an international standard serial number [ISSN 1943-1880-print; ISSN 1943-1899-electronic], *Stance* is registered with the U.S. Library of Congress. *Stance* is listed in *The Philosopher's Index*.

Further information regarding *Stance* is available at:

The background is a light-colored marbled paper with intricate, swirling patterns in shades of grey and white. A large, dark blue 'X' is superimposed over the center of the page, with the word 'STANCE' written in a serif font across its middle.

*Since 2014, Stance has partnered with the Steven Humphrey Student Philosophy Colloquium at the University of Louisville. Stance staff attend the conference and select one or two papers to consider for publication. We are grateful to the University of Louisville Philosophy Department for their support of our partnership and especially to Steven Humphrey for his gracious hospitality. We look forward to the enduring exchange of ideas fostered by this partnership between Stance and the Humphrey Colloquium.*
